Friday, Oct. 10

History Memory:
Declaration of Indep.
Due Thur., Oct. 9

Science Update: This week we began chapter 3, "Diversity of Life." The uniqueness and diversity among living things displays the glory of our creator. We are using what we learned about classification in chapter 2,

and the characteristics common to all living things in chapter 1, to identify unique features and creatures. In class we completed SNB 3.1 A-C together. Page D of this set, Scorpions, will be counted for up to 10 extra credit points for

students who choose to complete it. It is due on Tuesday, October 7. Although we will not complete chapter 3 until the second quarter, points earned for the Scorpions page will be included in the grades for the first quarter.
