**Speech and Math Meet**  
 The speech meet is fast approaching and the 4th graders are getting ready! This week we discussed the details of the speech meet and their role. They were asked to pick two selections that they enjoyed. They are bringing home copies of these selections for you to look over today. Over the weekend, discuss the options with your child and bring your final decision to school on

Monday. We will begin memorizing their selection and practice speaking in front of an audience. Not only will students perform their piece for a group they will also be graded on their presentation skills. As we were discussing this yesterday, the students grew more and more excited about the speech meet.
