Walk-A-Thon
Our annual fund raiser is in full swing. God has already provided us with more than \$60,000! Praise the Lord. Our next pep rally and dress up day will be April 23. The theme is for this pep rally is space. We are also eagerly anticipating the Walk-A-Thon on May 1.

Spring Program
Friday, April 24, will be our spring program. It will be held at Salem Baptist Church. The program will begin at 7. The PTF committee

will also be hosting the Scholastic Book Fair that evening. Feel free to browse the books after you drop off your child to their perspective classrooms before the program.

Terra Nova Testing
Well, the week is finally here! It is testing week! The fourth graders have been taking some practice tests and have asked many good questions regarding the test. Attached to the email is our testing schedule. We try very hard to create a schedule that is as low stress

as possible and that factors in all school day events. As stated in previous emails, please make sure your child gets enough rest each night and has a good breakfast each morning. The teachers will provide a morning snack (with the help of fruit provided by a few willing parents). The students will enjoy their usual lunch with afternoon snack. If you would like to volunteer to purchase a bowl of fruit for your classroom please let me know as soon as possible.
