## Administrator's News

By Mrs. Teri Lynn Schrag

Have you noticed that you can recognize someone by their walk? Each person as a very specific gait, and maybe you can even recognize someone by the sound of their footsteps. Living with three sons, I can recognize who is entering the room by their footfalls. Yes, living with three cats, I can recognize which cat is entering the room by the sound of their paws on the hardwood floors.

So if we can recognize someone by their physical gait and walk, can we recognize someone by their spiritual walk? God's Word answers a resounding "yes"! Again and again in Scripture, we are encouraged to walk in the light (Ephesians 5:8 and I John 1:7), to walk by faith (II Corinthians 5:7), and to walk in truth (Psalm 86:11 and I John 4). God's Word speaks clearly how the child of God should walk. As we walk in His light, and by faith, and in truth, we are representing Christ to the world. And on the contrary, if we say that we are Christians and do not walk in a manner that honors the Lord, we are

also displaying our inner hearts to the world.

With this in mind, let us walk with such a distinctive "gait" so that we are known as those who love the Lord, identified by our footfalls, faithfully walking in His light and His truth.

*To this end we always pray for you, that our God may make you worthy of his calling and may fulfill every resolve for good and every work of faith by his power, so that the name of our Lord Jesus may be glorified in you, and you in him, according to the grace of our God and the Lord Jesus Christ.*

II Thessalonians 1:11-12

### Ms. Michele Caldwell

Ms. Caldwell has served at Cornerstone Christian School as the Office Manager for 9 ½ years. She began as a receptionist when there were just 86 students enrolled and one class per grade. She manages a staff of three wonderful receptionists and feels very blessed to work with such a fun and talented group. Ms. Caldwell's 15 year old daughter has attended Cornerstone since kindergarten. She feels it is huge blessing to be able to bring her daughter to work with her.

She is currently working to complete her BS in Criminal Justice at Bellevue University and received her Associates in General Studies with an emphasis in Paralegal Studies this past spring. She says, "I am finally completing something I began 17 years ago and hope to set an example to my daughter of how much harder it is to complete your college degree when you are older. It's doable but much harder!"

She vacationed in Iowa this summer with her daughter and was able to taste Turkish Coffee for the first time and enjoyed it at a Bosnian restaurant which serves similar foods that she grew up eating as a child. Her great-grandparents from mother's side emigrated from Yugoslavia. She also has Swiss, Native American, African heritage, and perhaps some Irish blood.

**Fun Tidbit:** She spent her childhood summers and lived in Gary, IN for a short time, about two blocks away from Michael Jackson's childhood home. She wanted to be a ballet dancer as a child but now enjoys Latin dancing, especially Salsa dancing.

**Favorite Bible Verse:** Isaiah 49:16 See, I have written your name on the palms of my hands. Always in my mind is a picture of Jerusalem's walls in ruins.
