Due Wednesday, Sept 9

We are off to a great start in 4th grade. We are nearing the end of our first units in many of our classes.

Nebraska History: We are completing our unit on Nebraska's state symbols and moving on to discovering Nebraska's place in the world.

History: Tuesday we will complete our unit on the Early Explorers. Then we

will begin a unit on the American Indians.

Science: We will be discussing the classifications of animals.

Math: We will continue to review our multiplication facts. It is imperative that those facts are memorized to ensure a successful transition into fractions soon.

Reading: We are enjoying The Lemonade War by Jacqueline Davies. We will also begin our first writing essay soon describing a summer event.

All the students have done a great in their memorization pieces! Bible memory is due for next week.
