History Memory:
American's Creed Section 2
Due Wednesday, Sept 9

We have recently received a lot of questions and notes concerning science textbooks. We thought it would be good to clear up any confusion this may have caused. We only have 17 science books and we have to share the text books between the two classes. We, as teachers, are instructed not to allow the students to take them

home. We want to reassure you that we will not send home any Science homework that requires a textbook. If there is homework, students should only need their science notebook to successfully complete their assignment.

We are looking forward to seeing all of you at our Parent-Teacher Fellowship meeting on Tuesday, Sept. 8. We are sprucing up the classroom and each student is excited to show you how we spend our day. Please plan to attend our 7pm meeting in the TLC gym.
