Field Trip

Thank you so much to all of the parents that drove us to Nebraska City on Monday. We had a wonderful day learning about the Morton family, seeing the Mayhew cabin and learning about John Brown's cave. We learned many new things about our state.

Technology Picture Project

Each fourth grader is learning how to organize and save on their flash drive in technology. Ms. Nylin has assigned a Picture Project that includes finding digital pictures and putting them in their PHOTOS folder on their flash drive. The project is due the week of November 9 in Technology class. The project includes 3 pictures that illustrate a true story of a

trip or an event in their life, plus 3 pictures of their family. If you have any questions, please email Ms. Nylin at snylin@ccsnebraska.org.
