Due Wednesday, Jan 6

**Christmas Program**

The fourth graders have worked so hard in preparing their songs for the program! They are very excited to preform for you! The program is on Tuesday, December 8, beginning at 7 pm. We are meeting at Beautiful Savior on 96th and Giles. We ask that the students arrive no earlier than 6:40. In addition, we also ask that all students be dressed in their best Sunday clothing. School dress code applies with

sweaters covering straps on dresses and no jeans for this event.

**Recess Attire**

Our playground is on a hill and exposed to the winter elements. We ask that each student to be sure to bring hats and gloves for recess during the winter. If your child chooses to bring snow boots, please make sure they also bring a pair of shoes to change into after recess is over.

**History Test**

There will be a history test on Tuesday, December 8. It will cover chapters 8 and 9. Each fourth grader has their history book and their study guides in their red folder to study over the weekend.

**Hanukkah Party**

We are celebrating Hanukkah on Thursday, December 10. The fourth graders will learn about the Menorah and play the Dreidel game.

**Thank You!**

Miss Jewell and Mr Sittler joined us for one last reading game day! We have been so blessed to have them in our classrooms these last few months. They are very talented teachers! May God richly bless them as they finish their last semester of school and prepare for their own classroom of students!
