Valentine Party

Thank you to Mrs. Rice and Mrs. Iverson for organizing a fun Valentine Party! Enjoy the pictures from Wednesday's party.

Islam Study

We are still continuing to learn more about the Muslim religion in Hebrew class. This last week, Mrs. Gardner

spoke with us about her experience with the Islamic nation. She encouraged us to give God our fear and pray for missionaries to be allowed to share God's word in that nation. She also encouraged us to keep studying in religions that are different from ours so that we can effectively reach those with the Gospel of ultimate truth.

Conferences

We enjoyed speaking with all of you at conferences this week. As always, please don't hesitate to contact any one of us with any questions, praises or concerns. We love our students and are blessed daily by how God works in their lives.
