II. Treasurer's report: \$2055 cash on hand. Will spend \$250 on bracelets. Mini budgets for committees might allow more flexibility and keep profits for future events (dog eared.) Becky Libby: set up checking account (usually need three signatories on account and two to sign checks). School has account with just Scrip. We may need to discuss with school board, in order to confirm independence of funds and spending. Joya: will email lawyer about rules associated with PTF (tax exempt status, bylaws, etc.) Scrips table at movie night. Kari Curry is Scrips coordinator.

III. Thanksgiving Meal: Carolyn Rice and Melissa Baxter (H.S. coordinators). Catherine Rafteseth and Christy Woell (E.S. coordinators.) Middle School/H.S. will have more catering due to kitchen limitations. Sign up genius has opened (today) and is filling quickly. New idea: toddler care. Total estimated cost: \$1,000. Sign up genius includes volunteer donations. We will also fill out Hy Vee donation form. Ann asked Mrs. Schrag about church rental and bus money from last year, so there will be a cushion, if necessary.

IV. Committee Updates: Ann will send out reminder letter to parents regarding Volgistics sign up, new ministries and existing committees

Family Fun Night Committee:

Skate night: 120 skaters. Made \$170. Poster and glow sticks helped.

Movie night: November 13. 6:30 PM. Inside Out. 15 minute intermission. Star Wars: A New Hope. Free admission and raffle. Auction hard discs. Daniel Roman has equipment. Mr. Dotzler will let us do dry run. Food donations. Need help with concessions and clean up. Renting popcorn machine from base. Concession \$\$ will go to PTF. Put out sign up genius for all parents.

Beyond the Bell: dates set for year. Would be nice to generate some new ideas for the organizer.

Book fair: Just Spring concert, not Christmas concert.

Booster Club: not sure where it stands.

Boxtops: Becky Libby will send out an email to those that expressed interest. Will ask for two chairs for each campus.

V. Volgistics Update

Becky Libby is volunteer coordinator. New Volgistics programs: meals ministry and audio book ministry.

Room parents are organized in teams. Becky Libby will send email to room parents and teachers. Most classes have 1 lead and 1 support. Each grade has at least 4.

Room parents will also do teacher breakfasts and birthdays.

The Johnson family needs special attention and prayer. See sign-up genius.

135 families have signed up for Volgistics. Right now volunteer hours and preferences are the only functions for parents. Hope to replace sign-up genius by next year.

VI. January 11 meeting: Sheli Rice working on speaker.

VII. Family night out: Melissa Baxter planned this year's calendar, but Sheli Rice working on PTF master calendar for next year.
