**Field Trips**

**MONDAY, MARCH 14**

We will be traveling to the zoo to see the IMAX movie *National Parks*. We plan on enjoying a sack lunch there and spending the rest of the day touring the zoo as a class. Please email one of the fourth grade teachers if you would like to join us. We need one more driver with at least 3 seats. Also, if you have a zoo pass please send a copy to school so we can receive a reduced admission rate.

**MONDAY, MARCH 21**

The State Capital is always a fourth grade highlight. We will be touring the State Capital building and visiting with one of Nebraska's senators. Before returning to school, we will be stopping at Culver's for lunch. Please plan on sending your child with money for lunch. We have all the drivers we need for this trip. Thanks for driving us!
