**Terra Nova Testing**  
Terra Nova testing week is scheduled for April 11-14. We will be testing every morning Monday through Thursday. Friday

will be a make up day for any test that may have been missed. Please do not schedule any appointments for your child this week. It will also be important for your child to receive good rest each night; so please limit after school activities as much as possible.

We would also like to give our students a healthy morning snack each day of testing. We are looking for donations of small water bottles, trail mix, peanut butter crackers and cheese crackers. We would also like to

provide a fresh fruit tray for each class Monday through Thursday. If you would like to donate a tray of washed, cut and ready-to-eat fruit, or any of the other snacks previously stated, please email Mrs. Gilbert.

**Esther Play**

Our 4th graders will be presenting a short play about Esther on Thursday, April 7 at 8:40-9:15. You are invited to attend. The presentation will be in the gathering room.
