Terra Nova Testing
This Week!

Terra Nova testing week is scheduled for April 11-14. We will be testing every morning Monday through Thursday. Friday will be a make up day for any test that may

have been missed. Please do not schedule any appointments for your child this week. It will also be important for your child to receive good rest each night; so please limit after school activities as much as possible. We would also like to give our students a healthy morning snack each day of testing. We are looking for donations of small water bottles, trail mix, peanut butter crackers and cheese crackers. We would also like to provide a fresh fruit tray for each class

Monday through Thursday. We still need a volunteer to provide a fruit tray on Wednesday and Thursday. If you would like to donate a tray of washed, cut and ready-to-eat fruit, or any of the other snacks previously stated, please email Mrs. Gilbert.

States and Capitals
The students will be tested over the first 25 states and capitals (listed alphabetically) on Wednesday, April 13th. The bookmark they were given at Christmas is a helpful tool.
