

# 4TH GRADE NEWS

Here is how we celebrated Nebraska's 150th Birthday!

### Nebraska Notebook:

Pages: 49, 51 (skip 47)

Due: Wed., Mar. 8

**Spelling:** Review List 24  
Due Friday, Mar 10

**Memory Work:**  
Study Poetry  
Bible Verse

### Terra Nova Testing

April 3 will begin our standardized testing week. It is **essential** for your child to be in school those 5 days. We will be testing much of the morning and portions of the afternoon. We will be asking for healthy snack donations for each day and take little fun breaks in between tests.

**Monday: Blue Day!**

### Spelling

Review Week: There will only be one test this week on March 10. Each student will be allowed to use their spelling lists to complete this test.

### Public Speaking Unit

Keep working on memorizing the poetry or Bible verses. They will be presenting their selections to the class on Thursday, March 9. Then we

will choose a few students to represent our class in the annual ACSI speech meet held in April. A fresh copy of their speech or Bible verse is in their red folder and a copy is kept at school as well. Please have each child practice eye contact, clear speaking and complete memorization.

### Auction Basket

All week we have been collecting games and snacks for our 4th grade game basket for the banquet held on March 26. Our basket is due to be complete on Monday. If you haven't had a chance to donate to our basket, please send in a game on Monday. It would be wonderful to collect **20** more games to really complete our basket.
