

Cornerstone Christian School

2nd Grade

Academics

Bible: The students will discuss the First Sin. Please have your student begin memorizing Psalm 119:9-10, begin with verse 9-10, due Friday the 23rd.

Math: The concepts for the week are: tally marks, nickels and five dollar bills, thermometer, 8 subtraction family, and a math test on the 20th.

Reading: National Geographic animal books will be used during all Guided Reading Groups.

Poem for Fluency:
September by Helen Hunt Jackson, please memorize.

Writers Workshop: The students will create a detailed story this week about a pet they bring home from a pet store. They will continue working with the concept of a story having a beginning, middle, and an end.

Phonics: Review of Chart 7, please use the Phonics Handbook in your student's backpack to review the next charts. This book will stay home until the end of the school year. We will collect them in late spring.

Spelling: The pre-test for List #5 is Wednesday the 21st. Any words missed should be written five times each, all other words only one time each. If two or more words are missed the student will take the Final Test over List #5 on Friday the 23rd of September.

History: Students will read about America's patriotic holidays.

Science: We will continue to study God's design of Vertebrates. Students will focus on the camel, iguanas, salamanders and frogs this week.
