Volume #6
September 26-30, 2016

Cornerstone Christian School 2nd Grade

Academics

Bible: The students will discuss that God promised us a Savior. Please have your student continue memorizing Psalm 119:9-16, verses 9-11, due Friday the 30th.

Math: Review for Test #4 on Tuesday. The new concepts for the week are: combining dimes, nickels, and ten dollar bills. Ordering 3 numbers, combining dimes, nickels, pennies, ten, five, and one dollar bills.

Reading: National Geographic animal books will be used during all Guided Reading Groups.

Poem for Fluency: *September* by Helen Hunt Jackson, please memorize. Students will present this poem in Chapel this Wednesday the 28th.

Writers Workshop: The students will create a detailed story this week about a new animal they discovered. They will continue working with the concept of a story having a beginning, middle, and an end. The students will need to describe if their discovered animal is a mammal, reptile, amphibian, bird, or fish. Also, what makes it a vertebrate.

Phonics: List 7, please read the Homework Chart and review from the pages listed in the Phonics Handbook.

Spelling: The pre-test for List #6 is Wednesday the 28th. Any words missed should be written five times each, all other words only one time each. If two or more words are missed the student will take the Final Test over List #5 on Friday the 30th of September.

History: Students will continue to read about America's patriotic holidays.

Science: We will continue to study God's design of Vertebrates. Students will focus on birds and fish. The unit test over vertebrates is this Friday the 30th of September.
