

Cornerstone Christian School

2nd Grade

Academics

Bible: Continue memorizing the books of the New Testament, students will be tested over these Friday, September 8. We will discuss how God made man in His own image this week.

Math: The concepts for the week are: dividing shapes into halves, telling time to the 1/2 hour, one 1/2 of a number, combining dimes and pennies, ordering coins and bills, greater than less than, subtraction review.

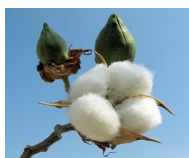

Reading: We will begin reading assessments, and prepare students for reading groups.

Writing: both second grade classes will complete the writing activity on how seeds travel.

Phonics: Review of Chart 6

Spelling: The pre-test for List #3 is Wednesday the 7th. Any words missed should be written five times each, all other words only one time each. If two or more words are missed the student will take the Final Test over List #3 on Friday the 9th of September.

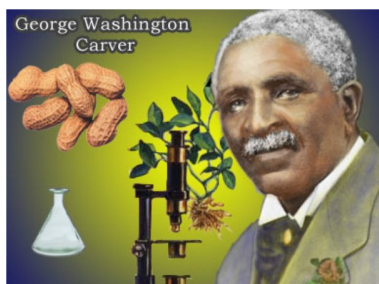

Science: We will continue our study on Plants; add the history of George Washington Carver, and his contribution to the study of Botany. The unit test over plants will be this Friday the 9th. We take our first field trip on October 7th. Please be looking for an email/letter home for more information.

“Reading about nature is fine, but if a person walks in the woods and listens carefully, he can learn more than what is in books, for they speak with the voice of God.”
George Washington Carver
