

CORNERSTONE CHRISTIAN SCHOOL
Music Department

Dear Cornerstone Parents,

This note is to introduce you to the Cornerstone Music Department, which includes private piano, voice, and violin lessons. Cornerstone is unique in many areas, especially in our educational goals for equipping our students for life! Receiving private lessons during school hours is a unique program, rare even among private schools. We continually strive each year to improve the music opportunities we offer our students.

We offer this program to students in 3rd – 12th grade. *If you should decide to register your student in private lessons, please fill out the registration form and return it immediately to the school office.* Lessons slots are limited and fill quickly each year. Due to the increase of students enrolled in private lessons, your child may miss part of their typical classes. (i.e. not just study hall) We will try our best not to interrupt their core subjects.

Cornerstone's Music Department has four instructors. Our piano teachers are members of the National Federation of Music Clubs and the Bellevue-Papillion Music Association. They also maintain private studios in their homes, as well as teaching our students here at Cornerstone, bringing their years of experience in teaching and personal professional performances, to our Cornerstone students.

It is our desire as teachers that each student may experience the blessing of "making music unto the Lord" and sharing that gift to bless others. We welcome any questions you may have concerning private music lessons at Cornerstone for this coming school year.

From the Cornerstone Music Department Teachers

"The end of all good music is to affect the soul."
Monteverdi (1567 – 1643)
